All Conference attendees will receive a copy of the **2019 Second Edition of Take the Witness: Cross-Examination in International Arbitration**. This highly readable volume is the "go to" reference for the arbitration practitioner who needs to master the art of cross-examination in the international arena. Real-word advice from world- class attorneys and international arbitrators fills these pages as they go to the heart of topics central to cross-examination. Readers will benefit from the accounts of arbitrators' past experiences and from their proven techniques for effective cross-examination of witnesses and experts. New practitioners will gain a foundation in the practices of cross-examination and the different attitudes towards it. Experienced practitioners will gain from the broad array of commentaries and deepen their considerations of how the cultural, linguistic, and historical differences of the participants demand ever greater sensitivity and knowledge of all involved in the arbitral process.
